NB:

1. Only the radiography facilities listed above are qualified to take interns as at **March 2024**
2. Previous shortlisted radiography facilities not listed above are those whose accreditation validity period have lapsed and are required to apply for re-accreditation
3. Full Accreditation is for duration of four (4) years, and Provisional Accreditation is for two (2) years but may be extended to a period not more than 2 years
4. Henceforth, Intern Radiographers who undergo internship in radiography facilities that are not approved within the said period of internship will be treated as having not undergone internship
5. Interns are not to change place of internship without seeking approval from the Board
6. Teaching hospitals/centres attached to approved radiography degree training institutions are considered to be approved for internship training
7. Notwithstanding the number of interns assigned to Federal Government owned facilities, they are at liberty to increase the number within the accreditation period.
8. Centers more than prescribe provided they have the capacity for effective hands-on.
8. To apply for accreditation and reaccreditation, please visit: <https://monitoring.rrbn.gov.ng>
9. For any clarifications, send email to: monitoring@rrbn.gov.ng
